01

Use the page controls for easy reading

Look in the top toolbar for page controls. View your PDF in Read Mode, view a full page at a time, or zoom in and out.

02

Access your files in the Home tab

Quickly find your recently viewed files. Access files stored in your cloud storage accounts, including Document Cloud, Creative Cloud and Dropbox.

03

Get all of the tools from the Tools tab

This tab is where you can find all the tools that Reader has to offer. Use free tools or explore tools you can activate with a paid subscription.
